

Declaration of Conformity to
Directive 2011/65/EC of the European Parliament and of the Council
of 8 June 2011
on the restriction of the use of certain hazardous substances (RoHS) in
electrical and electronic equipment (recast)

2011/65/EC permits this industrial control and monitoring equipment containing the restricted substances listed in Annex II of the Directive to be sold into the EU until 22 July 2017 under Paragraph 4.3 of the Directive. Additionally, the Directive also permits the cables and spare parts for these monitoring and control instruments under Paragraph 4.3 until 22 July 2017

We currently have plans to bring this product into conformity prior to this expiration date. At that time, this certificate will be replaced in its entirety.
